**WEEKLY ECO-TIP:** Energy conservation is one of the most important things you can do to reduce your carbon footprint. Leaving your electrical items on standby uses up energy – hit the off switch and you could see huge improvements, most noticeably in your energy bills! Remember to turn off those lights too when you leave a room and try changing to LED light bulbs. They last longer than conventional bulbs and are far more efficient.

**Jeremiah 31: 31-34**

"The day is coming," says the Lord, "when I will make a new covenant with the people of Israel and Judah. This covenant will not be like the one I made with their ancestors when I took them by the hand and brought them out of the land of Egypt. They broke that covenant, though I loved them as a husband loves his wife," says the Lord. "But this is the new covenant I will make with the people of Israel after those days," says the Lord. "I will put my instructions deep within them, and I will write them on their hearts. I will be their God, and they will be my people. And they will not need to teach their neighbors, nor will they need to teach their relatives, saying, 'You should know the Lord.' For everyone, from the least to the greatest, will know me already," says the Lord. "And I will forgive their wickedness, and I will never again remember their sins."

**Luke 17: 11-19**

As Jesus continued on toward Jerusalem, he reached the border between Galilee and Samaria. As he entered a village there, ten men with leprosy stood at a distance, crying out, "Jesus, Master, have mercy on us!" He looked at them and said, "Go show yourselves to the priests." And as they went, they were cleansed of their leprosy. One of them, when he saw that he was healed, came back to Jesus, shouting, "Praise God!" He fell to the ground at Jesus' feet, thanking him for what he had done. This man was a Samaritan. Jesus asked, "Didn't I heal ten men? Where are the other nine? Has no one returned to give glory to God except this foreigner?" And Jesus said to the man, "Stand up and go. Your faith has healed you."

"We are delighted that we were able to use the money taken at our collection on Sunday 6th October to twin our three new toilets with toilets in developing countries. Every new toilet offers dignity, safety and hugely improved health outcomes for the communities in which they are situated. In a few weeks there will be certificates in our toilets telling you where our twinned toilets are".
